Dear Judge Hardy,

There are many issues that face the firefighters throughout the State of Nevada today. Whether it's issues of homeland security, protecting our collective bargaining, workers compensation, and pension statutes, providing healthcare for our families, or dealing with fire suppression and EMS issues our members have many concerns. Today public safety workers are the frontline defense of our state's citizens.

Because of the support you have given or expressed to the firefighters of Southern Nevada, the Professional Firefighters of Nevada are proud to support your candidacy for election to the office of the District Court Judge Department 15. We appreciate your willingness to have open conversations with our association about our issues. Your continued support will be of extreme value in the future.

Please accept this endorsement on behalf of the Professional Firefighters of Nevada. If we can be of any assistance to you please feel free to contact either Rusty McAllister at (702) 493-2796 or Dean Fletcher at (702) 523-9996. We look forward to working with you in the future.

Respectfully,
